TEMPLATE: ESCAPE THE W2 PLANNER (SKU: STR-001) • LICENSE TYPE: SINGLE-BUSINESS USE

What you can do

- Use this template across every property you personally own or manage under a single business
- Edit, customize, rename cells, add tabs, add your logo
- Export to PDF and share with your guests (for guest-facing templates)
- Print as many copies as you want for your own use
- Reference it in your own internal training materials

What you can't do

- Resell or redistribute the template (edited or unedited) as your own product
- Include it in a paid bundle, course, or coaching package without written permission
- Share the file publicly on the internet (blog, social, forum) where others can download it
- Remove The STR Ledger branding from the workbook footer or cover tab

Property-manager exception

If you're a property manager (co-host or PM) and bought this template, you may use it across every property you manage, regardless of who owns them. You may not sell access to the template to owners as a standalone product.

What happens if this template is redistributed

First offense: a kindly-worded email asking you to stop and delete your copies. Second offense: the license terminates retroactively, and we'll pursue standard IP remedies.

Refund + satisfaction. 14 days, no questions asked. If the file doesn't work on your setup or doesn't solve the problem you bought it for, email hello@thestrledger.com and we'll refund in full. Etsy can take up to 5 business days to return funds to your card.
