How to use this bundle

1. Open the BLANK ZIP — start a fresh copy of any workbook for your data.
2. Open the DEMO ZIP — pre-filled examples to learn from before clearing and using.
3. Read the bundled how-to PDF for step-by-step usage of every workbook in the bundle.
4. Refer to the individual license PDF for terms (single-business use across all workbooks in this bundle).

Updates + support

Lifetime updates included. When any workbook in the bundle gets a new version, you'll receive it automatically via the email used at purchase. Questions: hello@thestrledger.com — real humans, fast replies.
